

Participating Faculty Committee (Application Form)

The Participating Faculty Committee (hereafter referred to as “Committee”) will address issues of importance to members of the Marquette faculty, full and part-time, hired on a participating or non-tenure track line. The Committee will focus on how to improve the “lived experience” of Participating Faculty and address issues that include, but are not limited to, Total Rewards (including compensation and benefits), professional development, recognition, inclusion, and performance review and promotion.

The Committee includes five members of the participating faculty along with the provost’s designee and an individual from the Office of University Relations. One participating faculty member is elected each year to co-chair the Committee together with the provost’s designee. The Committee works collaboratively on behalf of participating faculty across the university and is accountable to the provost.

Full or part-time participating faculty members who have been employed for two-and-a-half or more continuous years are invited to apply for one of the five participating faculty member positions. Applicants should have a demonstrated interest in the work of the Committee and willingness and ability to serve a two-year term. Interested faculty should complete the application form (below) and submit it to the Senior Vice Provost for Faculty Affairs (faculty.affairs@marquette.edu).

Participating Faculty Committee – Membership Application

Name _____

Date _____

Title _____

Years Employed at Marquette _____

Department _____

College / School _____
