

# Got Math Problems? We Have Answers!

Our "Getting Ready for College Algebra" Non-Credit Workshop is Designed for New and Continuing Students

Each session builds on the previous ones!  
Develop and refresh your math skills as you prepare for algebra.

"I think you should be more explicit here in step two."

### What previous students have said about the workshop:

"I had a wonderful time in this class and I would recommend it to all College of Professional Studies students!"

~ Calvin Jemison

"Professor Olson is an excellent professor and accommodates. [She] interacts with all skill levels."

~ Corina Gencuski

"Kathy [Olson] is an excellent teacher. She listened to our problems with the material and the next class she provided us the information necessary to understand it better. I extremely enjoyed these sessions and learned a lot in a great environment."

~ Nicolina Blackerby

"It has been awhile since I have engaged in algebra and I thought Kathy [Olson] was great! She really knows the material and makes understanding easy for her students."

~ Denise M. Ward
