

Babysitting in Bayside for four 4 kids-ages 8, 5, almost 3, and 7 months. I am looking for a fun, energetic, and reliable student to help me with regular babysitting. I'm looking for a student who enjoys being around small kids. Who is available after school hours anywhere between three and seven! Who can help my older kids with homework and reading and overall just fun with all the kids. I will be home too because 4 kids a lot. We will work together to manage everything! I'm looking for someone to start now and go through the summer-so we can go swimming and places like that! I pay \$20 an hour but there is room for negotiation!

Thank you,  
Sari Shovers
