[Adi Nes Biblical Stories](#)

On view now through December 23

The nine photographs included in this exhibition are contemporary re-presentations of subjects, characters, and stories from the Old Testament. In his large-scale, elaborately staged photographs, which often reference well-known works from the history of art, Israeli artist Adi Nes uses themes from biblical narratives to explore present-day issues of social justice.

Lead support for this exhibition and accompanying programs is provided by the Sheldon & Marianne Lubar Charitable Fund of the Lubar Family Foundation. Additional support is provided by the Martha and Ray Smith, Jr. Endowment Fund, the Milwaukee Jewish Federation's Israel Center, the Richard P. Herzfeld Endowment Fund, and the Wisconsin Arts Board with funds from the State of Wisconsin and the National Endowment for the Arts.
