Men of the Marquette University class of 2015,

Congratulations on your acceptance to Marquette University! In front of you is an unforgettable four years where you will have endless opportunities to make the most of your strengths.

On behalf of the Sigma Phi Epsilon Fraternity we encourage you to apply for the Sigma Phi Epsilon Balanced Man Scholarship. This scholarship will be awarded to two freshman males who exhibit our philosophy of a balanced lifestyle. Being a member of Sigma Phi Epsilon or any fraternity is not required to apply for or to receive this scholarship.

We are looking for freshmen men who, during their high school careers, have exhibited a balanced lifestyle; incorporating both a Sound Mind and a Sound Body- a set of principles and ideals the Sigma Phi Epsilon Fraternity believes men should pursue in order to live a complete life. The Balanced Man Scholarship recognizes men who exhibit academic excellence, demonstrate leadership skills, and are committed to personal health and well-being. Our goal in offering this scholarship is to promote gentlemen, athletes, and scholars who will not only better our university, but positively affect communities all over the world.

Do you live by the Balanced Man principles? Do you actively promote the stimulation of your mind and body? If so, you could be awarded the Balanced Man Scholarship. Two awards will be given to different recipients. The only two requirements are that you are a male and achieved a 3.0 high school GPA. To apply for the scholarship send in the completed application to:
