Moving Toward Patient and Family Centered Care
Purpose
To provide a forum to share and discuss the impact of research, evidence-based practice, and quality improvement initiative on clinical practice and patient outcomes.
To explore cogent person and family-centered issues in the workplace and the community.

Target audience
This conference has been developed for staff nurses, advanced practice nurses, educators, managers, administrators, and students involved or interested in enhancing clinical practice or patient outcomes through research, evidence-based practice and quality improvement.

Continuing education
This activity has been submitted to WNA CEAP for approval to award contact hours. Wisconsin Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. University of Wisconsin-Milwaukee is the approved provider of the nursing contact hours in a joint-provider relationship with the Southeastern Wisconsin Research Consortium. Six contact hours will be awarded for successful completion of the conference activities.
