Nursing or Health Elective may be fulfilled by summer NSTP experience between junior and senior year.

+ MCC requirement

Courses offered both semesters

¹The four courses in the Discovery Tier (DSCV) of the MCC must be completed in the same theme and include the following content areas: Humanities (HUM), Social Science (SOC), Natural Science and Mathematics (NSM) and one elective (ELE), which is an additional course from any of the three content areas. A maximum of two courses in the Discovery Tier can apply towards a primary major.

²Students must complete the Writing Intensive (WRIT) and Engaging Social System and Values 2 (ESSV2) requirements of the Core Curriculum via Discovery Tier courses; through courses in a declared major or minor, if offered; or as general elective.

NOTE: Summer courses are recommended to decrease semester course load.
