

**UCCS Revision Timeline
(AY 2015-16 and 2016-17)**

	Spring - Summer 2015	Fall 2015	Spring 2016	Summer 2016	Fall 2016	Spring 2017
President/Provost	Articulate charge for revision process		Based on UAS recommendation, identify proposal for UCCS revision		Charge implementation committee to begin plans for transition to new UCCS.	Announce revised UCCS; oversee implementation for students beginning Fall 2017
University Academic Senate			Review proposals for UCCS revision submitted by UBUS; offer a recommendation to President and Provost		Vote to endorse finalized proposal for revised UCCS	
University Board of Undergraduate Studies			Review proposals for UCCS revision submitted by CCRC; submit to UAS		Vote to endorse finalized proposal for revised UCCS; if endorsed, submit to UAS	
Core Revision Facilitation Group	Synthesize research and results from review processes	Facilitate campus discussions on learning outcomes; coordinate efforts to create 2-3 distinct proposals for revising UCCS ¹	Facilitate reviews of proposal at each stage (CCRC, UBUS, UAS)	Coordinate exploration of implementation process logistics	Facilitate communication among campus groups and CCRC in creation of finalized proposal	
Core Curriculum Review Committee		Work with Core Revision Facilitation Group to create 2-3 distinct proposals for	Submit proposals for revising UCCS to UBUS		Work with Core Revision Facilitation Group to create finalized proposal	

		revising UCCS				
Campus community		Participate in department, college, and campus conversations on learning outcomes; provide feedback on proposals for revision as they emerge	Communicate on an ongoing basis with UAS representatives on strengths and weaknesses of each proposal for revising UCCS		Participate in campus conversations on final proposal to develop campus consensus on requirements and priorities	
Implementation committee					Work to ensure smooth transition to new UCCS, including bulletin, advising, logistics, etc.	

¹ The 2-3 proposals would provide overarching frameworks for how the UCCS would be organized, not necessarily finalized course requirements. The final proposal to be submitted for academic review in Fall 2016 would include all course and other requirements.
