EDUCATION

- Marquette University- Milwaukee, WI** Expected 2023
Doctor of Philosophy, Psychology
Area of Concentration: Clinical Psychology
Advisor: Douglas W. Woods, Ph.D.
- Marquette University- Milwaukee, WI** May 2020
Master of Science, Psychology
Area of Concentration: Clinical Psychology
Thesis: Cultural Differences in Reactions to Tics
Advisor: Douglas W. Woods, Ph.D.
- Ripon College- Ripon, WI** May 2017
Bachelor of Arts
Major: Psychobiology
Minor: Spanish

SUPERVISED CLINICAL TRAINING

- Rogers Behavioral Health- Oconomowoc, WI** September 2021-Present
Supervisor: Brenda Bailey, Ph.D.
Role: Practicum Student
Activities: Assist in providing treatments such as exposure and response prevention, habit reversal training, behavioral activation, and dialectical behavior therapy to residential patients (ages 18+) with a primary diagnosis of obsessive compulsive disorder (OCD), social anxiety disorder, specific phobia, or other anxiety/obsessive-compulsive disorder in the OCD Center at Cedar Ridge; assist in developing fear hierarchies and treatment plans for patients; assist in developing protocols for problematic behaviors; and attend weekly supervision.
- Rogers Behavioral Health- Brown Deer, WI** September 2020-July 2021
Supervisor: David Jacobi, Ph.D. and Chad Wetterneck, Ph.D.
Role: Practicum Student
Activities: Assisted in providing specialized treatments such as exposure and response prevention, habit reversal training, and behavioral activation to children and adolescents (ages 7-18) presenting with a primary diagnosis of OCD, generalized anxiety disorder, social anxiety

disorder, specific phobia, Tourette's disorder, or other anxiety/obsessive-compulsive disorders in the Child Anxiety/Obsessive Compulsive Disorder (OCD) Partial Hospitalization Program; complete exposures with children; assist in developing fear/exposure hierarchies for patients; work with patients to develop goals for therapy and school; observe and assist with family therapy sessions; and attend weekly supervision.

Marquette University ADHD Clinic- Milwaukee, WI

August 2019-March 2020

Supervisor: Alyson Gerdes, Ph.D.

Role: Practicum Student

Activities: Provided behavioral parent training to caregivers of children with ADHD ages 7-12; focused on parental skill development, including delivering effective instructions and consistent consequences, and managing daily routines and homework hour; worked closely with the children's teachers to implement classroom interventions via a Daily Report Card.

Psychological Assessment Services- Wauwatosa, WI

August 2019-August 2020

Supervisor: Karen Gust-Brey, Ph.D.

Role: Practicum Student

Activities: Conducted comprehensive psychological evaluations and assessments for a range of presenting concerns including legal competency, guardianship, juvenile court waivers, risk assessments, and testing in secure detention facilities. Provided feedback, including generating a comprehensive report, interpretation of test results, and discussion of diagnostic findings with recommendations for a range of clinical diagnoses, including, but not limited to PTSD, depressive disorders, conduct disorder, and personality disorders.

Marquette Center for Psychological Services: Milwaukee, WI

Outpatient Psychotherapy

July 2019-Present

Supervisors: Stephen Saunders, Ph.D. & Lindsay Holly, Ph.D.

Role: Practicum Student

Activities: Provide individual outpatient cognitive-behavioral therapy to both children and adults; generate integrated clinical reports and treatment plans; conduct unstructured and structured interviews to inform a treatment plan.

Outpatient Assessment

June 2018-Present

Supervisors: Alyson Gerdes Ph.D., James Hoelzle Ph.D., & Lindsay Holly, Ph.D.

Role: Practicum Student

Activities: Administer comprehensive neuropsychological evaluations and assessments for child, adolescent, and adult clients; generate integrated comprehensive neuropsychological reports; provide feedback, interpretation of test results, and discussion of diagnostic findings.

Marquette University Tic Disorders Specialty Clinic- Milwaukee, WI

January 2018-Present

Supervisor: Douglas Woods, Ph.D.

Role: Practicum Student and Clinic Coordinator

Activities: Generate treatment plans and provide behavior therapy to child and adult clients with obsessive-compulsive spectrum disorders (OCSDs); conduct psychodiagnostic assessments of children, adolescents, and adults suspected of having an OCSD; consult with other professionals (e.g., other therapists, teachers, etc.) as needed; complete phone intakes of potential patients; schedule patients for other clinicians in the clinic; attend weekly supervision.

RESEARCH EXPERIENCE

Behavior Therapy and Research Lab Marquette University- Milwaukee, WI

August 2017-Present

Research Advisor: Douglas W. Woods, Ph.D.

Role: Graduate Research Assistant

Research Interests: Understanding, improving, and disseminating behavioral interventions for children and adults with Tourette's disorder (TD); exploring cultural differences in environmental consequences and presentations of tics; differentiating tic-related from non-tic-related impairment in individuals with TD; determining the long-term course of TD and if behavioral treatments last over time.

Research Activities: Conduct adult and child clinical research interviews and assessments using the Yale Global Tic Severity Scale, Mini International Neuropsychiatric Interviews, Clinical Global Impressions Scale, National Institute of Mental Health – Trichotillomania Severity Scale, and Trichotillomania Diagnostic Interview; assist in developing an online behavioral therapy clinical training program for tic disorders; conduct a randomized waitlist-controlled pilot trial that compares an enhanced version of behavior therapy for tics to a waitlist control; analyze data via IBM SPSS and Microsoft Excel and prepare manuscripts for publication in peer-reviewed journals.

Laboratory for Child Development Johns Hopkins University- Baltimore, MD

May 2016-August 2016

Research Advisor: Lisa Feigenson, Ph.D.

Role: Undergraduate Research Assistant

Research Activities: Recruited and evaluated elementary to undergraduate students in the "Math Anxiety and Perception Study"; analyzed data and worked collaboratively with researchers to quantify prosocial infant behavior during structured social interactions.

Psychobiology Cross Cultural Study Ripon College- Ripon, WI

May 2015-December 2015

Research Advisor: Kristine Kovack-Lesh, Ph.D.

Role: Undergraduate Research Assistant

Research Activities: Conducted cross-cultural, psychobiology research utilizing a sample of high school students attending the American School of Marrakesh (Marrakech, Morocco) and Pulaski High School (Pulaski, Wisconsin); obtained a random sample of students at each recruitment site and collected data pertaining to nutritional habits, body image, and body mass index (BMI); evaluated data to determine cultural differences and generated a research paper.

PROFESSIONAL PRESENTATIONS AT NATIONAL/INTERNATIONAL CONFERENCES

Stiede, J.T. & Woods, D.W. Cultural differences in reactions to tics. In M.R. Capriotti (Chair), *Onward, together! Patient-centered research to expand the impact of behavioral treatments for Tourette syndrome*. Symposium conducted at the Association for Behavioral and Cognitive Therapies 53rd Annual Convention, Atlanta, GA (November 2019).

Woods, D.W., Piacentini, J., Specht, M.W., Walkup, J. T., Espil, F. M., **Stiede, J.T.,** et al. A decade later: Assessing the long-term impact of CBIT on children with Tourette's syndrome. In **J.T. Stiede** (Chair), *Advances in the etiology and treatment of Tourette disorder*. Symposium conducted at the 9th Annual World Congress of Behavioural and Cognitive Therapies, Berlin, Germany (July 2019).

REGIONAL CONFERENCE AND INVITED PRESENTATIONS

Stiede, J.T., Woods, D.W., Idnani, A.K., Pritchard, J., Klobe, K., Kumar, S. (September 2021). Pilot trial of a technology assisted treatment for trichotillomania. Invited presentation at the Marquette University Psychology Department Colloquium. Marquette University, Milwaukee, WI.

Stiede, J.T. (February 2020). Guest Lecture. Marquette University Abnormal Psychology Class. *Tourette Syndrome and Other Tic Disorders*. Marquette University, Milwaukee, WI.

Stiede, J.T., Woods, D.W., Piacentini, J., Specht, M.W., Walkup, J.T., Espil, F.M., et al. (October 2019). A decade later: Assessing the long-term impact of CBIT on children with Tourette's

syndrome. Invited presentation at the Marquette University “Data Blitz” Colloquium. Marquette University, Milwaukee, WI.

Stiede, J.T. (March 2018). Graduate Student Panel. Marquette University Affective Neuropsychology Class. Marquette University, Milwaukee, WI.

Stiede, J.T. (February 2018). Case Presentation. Marquette University Psychology Department Colloquium. Marquette University, Milwaukee, WI.

Stiede, J.T. (February 2018). Graduate Student Panel. Marquette University Research Methods Class. Marquette University, Milwaukee, WI.

Stiede, J.T., Alexander, J.R., Wellen, B., Bauer, C.C., Himle, M. B., Mouton-Odum, S., Woods, D.W. (November 2018). Differentiating tic-related from non-tic-related impairment in children with persistent tic disorders. Invited poster presentation in Marquette University’s Undergraduate Research Methods Class. Marquette University, Milwaukee, WI.

Stiede, J.T. (November 2017). Graduate Student Panel. Marquette University 8th Annual Diversity in Psychology Undergraduate Research Conference. Marquette University, Milwaukee, WI.

Stiede, J.T. & Feigenson, L. (November 2016). Math anxiety and perception. Poster presented at the 26th Annual Tri-State Psychology Undergraduate Research Conference, University of Wisconsin-Platteville, Platteville, WI.

Stiede, J.T. & Kovack-Lesh, K. (October 2016). Influences of culture on nutrition and body image. Poster presented at the 7th Annual Diversity in Psychology Research Conference, Marquette University, Milwaukee, WI.

POSTER PRESENTATIONS AT NATIONAL/INTERNATIONAL CONFERENCES

Pitts, B.X., **Stiede, J.T.,** Wellen, B., Bauer, C.C., Himle, M.B., Mouton-Odum, S., Woods, D.W. (November 2021). Psychometric properties of the Premonitory Urge for Tics Scale (PUTS) in children with persistent tic disorders. Poster to be presented virtually at the Association for Behavioral and Cognitive Therapies 55th Annual Convention.

Stiede, J.T., Woods, D.W., Anderson, S., Eapen, V., Gev, E., Latimer, R., Bredesen, A.M. (November 2021). Cross-cultural psychometric properties of the Tic Accommodation and Reactions Scale – Parent Report (TARS-PR) and Parent Tic Questionnaire (PTQ). Poster

to be presented virtually at the Association for Behavioral and Cognitive Therapies 55th Annual Convention.

Bootes, K.B., Himle, M.B., **Stiede, J.T.**, Woods, D.W., Mouton-Odum, S. (November 2021). Predictors of impairment and self-concept in children and adolescents with persistent tic disorder. Poster to be presented virtually at the Association for Behavioral and Cognitive Therapies 55th Annual Convention.

Stiede, J.T., Woods, D.W., Idnani, A.K., Pritchard, J., Klobe, K., Kumar, S. (April 2021). Pilot trial of a technology assisted treatment for trichotillomania. Poster presented at the TLC Virtual Conference on Body-Focused Repetitive Behaviors (BFRBs).

Stiede, J.T., & Woods, D.W. (November 2020). Cross-cultural clinical characteristics of children with Tourette disorder. Poster presented virtually at the Association for Behavioral and Cognitive Therapies 54th Annual Convention.

Stiede, J.T., Anderson, S., Eapen, V., Gev, E., Latimer, R., Bredesen, A.M., Woods, D.W. (May 2020). Cross-cultural psychometric properties of the tic accommodation and reactions scale – parent report (TARS-PR) and parent tic questionnaire (PTQ). Poster presented at the Tourette Association of America Virtual Research Conference.

Stiede, J.T., Alexander, J.R., Wellen, B., Bauer, C.C., Himle, M.B., Mouton-Odum, S., Woods, D.W. (November 2019). Examining the relationship between behavioral and emotional functioning and tic severity in children with persistent tic disorders. Poster presented at the Association for Behavioral and Cognitive Therapies 53rd Annual Convention, Atlanta, GA.

Stiede, J.T., Alexander, J.R., Wellen, B., Bauer, C.C., Himle, M.B., Mouton-Odum, S., Woods, D.W. (July 2019). Psychometric properties of a parent-report instrument for assessing tic severity in children with persistent tic disorders. Poster presented at the 9th Annual World Congress of Behavioural and Cognitive Therapies, Berlin, Germany.

Stiede, J.T., Alexander, J.R., Wellen, B., Bauer, C.C., Himle, M.B., Mouton-Odum, S., Woods, D.W. (November 2018). Differentiating tic-related from non-tic-related impairment in children with persistent tic disorders. Poster presented at the Association for Behavioral and Cognitive Therapies 52nd Annual Convention, Washington, DC.

Stiede, J.T., Alexander, J.R., Neal-Barnett, A.M., Franklin, M.E., Twohig, M.P., Compton, S.N., Saunders, S.M., Cahill, S.P., & Woods, D.W. (November 2017). Does experiential avoidance explain the relationship between self-esteem and trichotillomania severity?

Poster presented at the Association for Behavioral and Cognitive Therapies 51st Annual Convention, San Diego, CA.

PEER-REVIEW EXPERIENCE

Co-reviewer, *Journal of Developmental and Physical Disabilities*

2019

SUPERVISORY EXPERIENCE

Peer Supervisor

June 2021-Present

Marquette University Tic Disorder Specialty Clinic- Milwaukee, WI

Supervisor: Douglas Woods, Ph.D.

Activities: Assist in teaching junior graduate students the comprehensive behavioral intervention for tics (CBIT) protocol; facilitate weekly supervision meetings with junior graduate students in conjunction with participation in weekly group supervision with Dr. Woods.

Peer Supervisor

August 2020-May 2021

Marquette University Center for Psychological Services- Milwaukee, WI

Supervisor: Alyson Gerdes, Ph.D.

Activities: Facilitated weekly supervision meetings with junior graduate students in conjunction with participation in weekly consultation and supervision strategies course.

TEACHING EXPERIENCE

Marquette University- Milwaukee, WI

August 2020-May 2021

PSYC 3401: Intro to Abnormal Psychology

Role: Adjunct Instructor

Activities: Independently designed, prepared, and presented weekly lectures on abnormal psychology and related topics (e.g., models of abnormality, mood, anxiety, and personality disorders). Developed and graded comprehensive exams. Facilitated student engagement in creative and relatable approaches.

MULTICULTURAL TRAINING

Multicultural Awareness and Professional Integration Program (MAPIP)

September 2017-September 2021

Marquette University- Milwaukee, WI

Supervisor: Lucas Torres, Ph.D.

Activities: Completed a multicultural awareness program designed to increase awareness of multicultural psychology research, to increase understanding of diverse groups and cultures, and to promote self-reflection of how diversity awareness can be integrated into professional career. Participation included attending diversity focused colloquia hosted by the Department of Psychology, attending diversity events in the community, reading seminal articles regarding diversity, integrating diversity into a psychology course lecture, presenting a clinical case conceptualization that demonstrates multicultural awareness and competency, writing reflection papers, and meeting with MAPIP mentor each semester to discuss reflection papers and progress in the program

OTHER RELEVANT EXPERIENCE

On Your Marq Program

August 2020-May 2021

Marquette University- Milwaukee, WI

Supervisor: Emily Raclaw, M.S.

Activities: Provided assistance to an undergraduate student with autism spectrum disorder; responsible for structuring and conducting weekly meetings with assigned student; co-developed and tracked individualized goals; assisted client in communication with various campus resources; attended meetings with client across campus when necessary; communicated with faculty and staff about client’s needs when necessary.

PROFESSIONAL MEMBERSHIPS AND LEADERSHIP POSITIONS

Board Member , Tourette Information Center and Support (TICS)	2020-2021
Student Member , World Congress of Behavioural and Cognitive Therapies	2019-Present
Student Member , Association of Behavioral and Cognitive Therapies	2017-Present
President , Tic and Impulse Control Disorders Association for Behavioral and Cognitive Therapies Special Interest Group	2017-2019
Member , Phi Beta Kappa Society	Inducted 2017
Member , Psi Chi National Honor Society in Psychology	Inducted 2017
Member , Phi Sigma Iota; International Foreign Language Honor Society	Inducted 2016
Member , Laurel Society of Ripon College	Inducted 2016

ACADEMIC AWARDS AND HONORS

Marquette University, Arthur J. Schmitt Leadership Fellowship	2021
Marquette University, Graduate Research Enhancement Award	2020
Tourette Association of America (TAA), Young Investigator Award For the 2020 TAA Scientific Symposium	2020
Marquette University, Graduate Student Travel Research Award	2017-2019
Ripon College, Dean’s List	2013-2017

Midwest Conference, All-Academic Team	2014-2017
NABC/WBCA All-State Good Works Team National Finalist	2015-2017
Ripon College, Presidential Scholarship: \$16,000/yr.	2013-2016
Ripon College, Rath Academic Distinguished Scholar: \$12,000/yr.	2016
Ripon College, Babcock Endowed Scholar	2016
Midwest Conference, Men's Basketball Elite 20 Academic Award	2016
Ripon College, Clifford Crump Phi Beta Kappa Award	2015
