Easter Break

All residence halls will remain open during Easter Break (April 5-9). If you plan to stay in your residence hall, please notify your RA in advance. Visitation hours will end at 1:00 AM each night during break. Upon every entrance into the halls, resident and guest ID’s will be collected. Overnight guests will not be permitted during the break. There will be a meal schedule at Schroeder Hall.

Hunger Clean-Up

Hunger Clean-Up, a Marquette Tradition, is one of the nation’s largest one-day campus service projects. It helps local service agencies and Milwaukee neighborhoods alleviate hunger and homelessness. Join students, staff, and faculty to make a difference in the Milwaukee community. Over 1,500 volunteers come together each spring to work at sites including homeless shelters, elementary schools, community organizations and more. In addition, students raise over $20,000 to support the work of community agencies in the greater Milwaukee area. This event is on April, 21 which is the Saturday of Lil’ Sibs Weekend.

National Alcohol Screening Day

Drinking Too Much?
Ask yourself a few key questions:
• Do I drink more than 7 drinks per week or more than 4 drinks per occasion?
• Do I drink so much that I forget what happened or regret some of my actions the next day?
• Have my friends or family ever said they were concerned about my drinking?
• Do I ever drink to deal with stress, anger, anxiety or sad mood?
• Do I ever skip responsibilities or neglect what is expected of me because of drinking?
• Do I drink in risky situations or take risks after drinking?
• Have I ever injured myself or someone else as a result of my drinking?
• Have I ever tried to cut down on my drinking and found I couldn’t?
• Am I concerned about my drinking?

If you’ve answered “yes” to one or more of these questions, find out what you can do to lower your risk of having difficulties related to drinking. Visit www.marquette.edu/counseling to take a confidential online alcohol screening. To find out more about how alcohol affects you or someone you love or to talk to a professional, contact the Marquette University Counseling Center at 414.288.7172.

Walk a Mile in Her Shoes:
Stand with the Men of O’Donnell Hall against Violence.

On Saturday, April 28th, the men of O’Donnell Hall will walk to help raise money for sexual and domestic violence awareness. As a sign of solidarity, some of the O’Donnell men will wear women’s shoes in order to show the Milwaukee community that they are taking a chance to see things from women’s point of view.

O’Donnell will give the proceeds from their t-shirt sales and all pledge money collected to HAVEN, a local shelter for women who have been victims of sexual or domestic violence.
