Rumors? Oh……Roomers!
Welcome to Roomers, a monthly newsletter written for Residence Hall Students. In Roomers, you will find helpful information like the Channel 95 movies, listed on this page, or your new Hall Council President, found on the back. You will also find information about what’s going on around campus, things to do in Milwaukee, break information and other things you need to know about the Marquette and Milwaukee Area. It’s only one page, front and back, and definitely worth taking the time to read. Check out what October has to offer, and we’ll see you again next month!

What Is Roomers?

FALL & THANKSGIVING BREAK INFORMATION
The Residence Halls will stay open for Fall Break (Oct.19-22) and Thanksgiving Break (Nov. 22-26). If you plan to stay in your hall, please notify your RA in advance. Visitation hours will end at 1 a.m. each night during these breaks. Upon every entrance into the halls, resident and guest ID’s will be collected. Overnight guests will not be permitted during the breaks.

RHA’s HALLOween
Everybody loves trick-or-treating, right? Well it’s our turn to give this opportunity to Milwaukee children. This year, the Residence Hall Association presents HALLOween on Tuesday, October 31st from 3-7 p.m. Milwaukee kids ages 3-12 can come to “trick-or-treat” in the residence halls as students hand out candy. The children then have a HALLOween party in the AMU. This is a great way to get involved with a campus program that serves the Milwaukee area. This year, we are in need of gHosts to serve as tour guides and take the children through the halls. If you choose to stay in your hall and hand out candy, that’s great too! If you are interested in volunteering to help with this program, please contact Kristen Krapfl in the RHA office at 288-5851 or at marqrha@mu.edu. We hope you share in the fun!

LATE NIGHT MARQUETTE
Sponsored by the Office of Student Development, Late Night Marquette provides students with a variety of activities and entertainment at night. Late Night is a great way to meet ridiculously good looking people, an easy way to win uber fabulous prizes and the quickest route to your favorite, and FREE, midnight munchies!
How do I sign up for the fun you ask? Stop by the LEAD Center on the first floor of the AMU and write down your email on the sign-up sheet. We will send you periodic emails letting you know about events.
So sign up! You know you want to. We are planning an INCREDIBLE year and you don’t want to miss out.

ALCOHOL AWARENESS WEEK 2006  October 13th-18th

In conjunction with National Collegiate Alcohol Awareness Week 2006, the Marquette Center for Health Education and Promotion pledges to continue education and awareness surrounding alcohol use/misuse/non-use. At the Center for Health Education and Promotion, we are into “Binge Thinking.” “Binge Thinking” is defined as 5 or more of the following healthy decisions in one sitting:

*Set a limit before you go out and stick to it.  *Go out with people you know and trust.  *Steer clear of drinking games.  *Eat before you drink.  *Never take a drink from a stranger or leave your drink unattended.

*Alternate alcoholic and non-alcoholic beverages.  *Do things that do not involve alcohol.

*Avoid mixing drugs and alcohol.  *If you think someone has had too much to drink, call for help.

*Don’t drink if you don’t want to.

If you have further questions, need more information, or want to locate additional resources, please don’t hesitate to call us at 288-5217. Or, feel free to email us at healthyeagle@mu.edu
